How membership
can help grow
your business

Build better

About us

The Federation of Master Builders (FMB) is the largest trade association in the UK construction industry, representing the interests of small and medium-sized building companies and lobbying for members at both national and local levels.

Every year, the UK construction trade misses out on millions of pounds because property owners don't have confidence in local builders.*

Membership of the FMB helps you stand out in a highly competitive industry as a professional builder that clients can trust.

*2017 OnePoll research of UK homeowners conducted for the FMB

Become a member

Master Builders are committed to high standards and their membership of the FMB must be earned.

Members have to pass a professional vetting process before joining to ensure they meet the high standards expected of a Master Builder company.

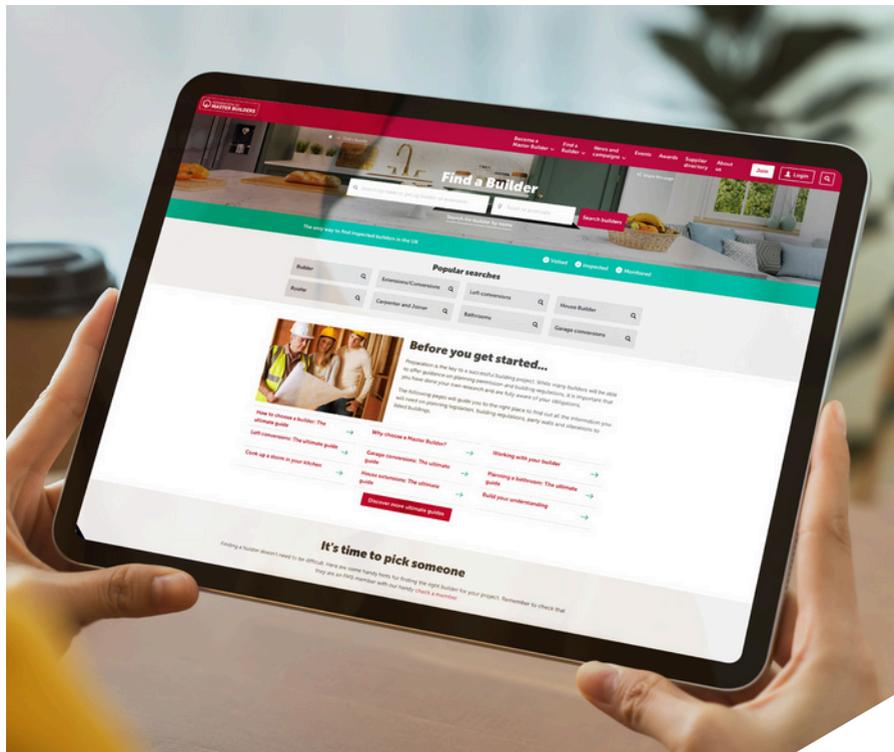

"Being a part of the Federation of Master Builders gives my clients confidence and reassures them they're getting a trusted quality builder."

Craig Holmes, Lathom Joinery and Construction Ltd

Get listed on Find a Builder

Attract new clients via our Find a Builder search on the FMB website. Thousands of homeowners use the search every month. The service is also listed on the Planning Portal website.

Your voice in government

We are the trusted voice of small and medium-sized builders. We work with the media as well as national and devolved governments to raise awareness of the issues that matter the most to you.

"A place where Builders all over the country can share information and ideas, not only about the problems some of us are facing now, but also about how the industry can move forward and meet the challenges we'll all face tomorrow."

Nik Nelberg, Earl and Calam Design and Build Ltd

Connect with other quality builders

Join our private community to connect, learn and get support from other Master Builders across the UK.

"I have found work and opportunities through fellow members and I have formed friendships and business relationships with other industry colleagues. I am proud to be a Master Builder and I encourage other builders to join our community to make valuable connections."

Willie Moffitt, Moffitt & Robinson Construction Ltd

Claim offers and discounts

From discounted insurance to 10 per cent off at TradePoint, don't miss out on exclusive access to discounts and offers to help you save money.

"It helps you get your foot in the door over other builders who are quoting for the same job."
Ian Smith, Smith and Son Construction Ltd

Access expert advice

We offer unlimited expert advice through our business helplines to help you manage your business, whether it's an HR, health and safety, legal, or tax matter.

Extra benefits
Access a library of free business documents, contract templates and our online learning portal.

Find out if FMB membership is for you

Speak to one of our team by calling **0330 333 7777** or scan the QR code to find out how FMB membership could work for you and your business.

FEDERATION OF
**MASTER
BUILDERS**

Founded in 1941, the Federation of Master Builders (FMB) is the largest trade association in the UK construction industry representing the interests of micro, small and medium-sized building companies. The FMB is independent and non-profit making, lobbying for members' interests at both national and local level.

The FMB is a source of knowledge, professional advice, and support for its members, providing a range of modern and relevant business building services to help them succeed.
